

# Support our charity fundraising Kilimanjaro climb

In August 2010 a team from Cushman & Wakefield will climb Kilimanjaro to raise funds for the company's official charity, Schools Around the World. The **Schools Around the World (SATW) Kilimanjaro Climb 2010** climb team will include staff from 10 European countries where Cushman & Wakefield operates and the funds will be distributed back to SATW activities in those countries.

For details on the preparation, the climb, the team and the schools being supported by SATW in your country please visit [kilimanjaro.satwdonate.org](http://kilimanjaro.satwdonate.org) and you can find out how to support the climb.
