RICS Polska

August 20th 2010

Volume 1, Issue 1

## Invitation—Members Reception and Diploma Award Ceremony

I am pleased to invite all Members to what was in the past a formal AGM but with the changes in the structure of RICS Polska is now a **great opportunity for Members to enjoy a more relaxed evening** which will allow us to welcome the newly qualified Members with the formal presentation of their diplomas and to hear an update from the RICS Europe Chairman Luciano Capaldo FRICS.

Once again the event will be held at the Belvedere with an **informal barbeque/buffet meal in great surroundings** and providing an opportunity for members to mix and enjoy the entertainment which this year will be provided by the quartet "The Strings".

The evening will start at 6.00pm with a presentation by Luciano Capaldo FRICS, Chairman RICS Europe and Liliane Van Cauwenbergh, Managing Director of RICS Europe.

This will give an opportunity for members to understand the workings of the new Corporate Governance and to hear first hand the plans for the growth of RICS Europe and Polska in particular. Members of your Board will also be present to answer questions.

### Agenda:
